- 10.4 As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the Stock Exchanges, on which the highest trading volume in respect of the Equity Shares as on the Record Date was recorded, is not more than ₹2,00,000 (Rupees Two Lakh only).
- 10.5 In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- 10.6 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares which the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. The Company shall accept all the Equity Shares validly tendered in the Buyback by Eligible Shareholders, on the basis of their Buyback entitlement as on the Record Date. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback
- 10.7 In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the category of Small Shareholders, the Company will club together the Equity Shares held by such shareholders with the common Permanent Account Number ("PAN") for determining the category (Small Shareholder or General Shareholder) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds, trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories.
- 10.8 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- 10.9 The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- 10.10 The maximum tender under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.
- 10.11 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting" notified by SEBI Circulars.
- 10.12 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on the Record Date.
